

Knollwood School PTA

WE NEED YOUR SUPPORT!

Dear Parents & Guardians,

We take pride in the programs and activities we support for all Knollwood children. With approximately 27 committees in place here at Knollwood, there is a committee for EVERYONE! Whether you work or are at home... If you have a limited amount of time on your hands or a great deal of time... there is a committee that can & will fit your schedule as well as your comfort level. As an active PTA member you share the opportunity to enhance the school's educational and social environment for all of our children.
